(Online Mode)**

**Sponsored by
Directorate of Technical Education,
Mumbai (M.S.)**

On

**“Cyber Security”
(07th to 11th March 2022)**

**Organized by
Computer Engineering Department
Government Polytechnic,
Osmanabad.**

Chief Patron

Hon. Dr. Abhay Wagh

Director, D.T.E. (M.S.), Mumbai.

Patron

Dr. Vinod Mohitkar, Director, M.S.B.T.E., Mumbai

Mr. Umesh Nagdeve, Jt. Director, RO, Aurangabad

Dr. Dhanpal Kamble, Dy. Director, DTE, Mumbai

Advisory Committee

Dr. Mahendra Chitlange, Secretary, MSBTE (M.S.)

Mr. Akshay Joshi, Dy. Sec., RBTE, Aurangabad

Mr. S. L. Andhare, I/C Principal, G. P. Osmanabad

Coordinator

Mr. P. J. Bansode, I/C HOD, Computer Engg. Dept.

Co-Coordinator

Mr. R.V. Mundhe, Lecturer in Computer Engg.

Organizing Committee

Mr. A.B. Gaikwad, Lecturer in CO - 9890565751

Mr. B. R. Chauhan, Lecturer in CO - 7588611929

Mr. S. D. Pore, Lecturer in CO - 7972537603

Mr. A.D. Ambure, Lecturer in CO - 9028860029

About Institute

Government Polytechnic, Osmanabad established in 1985 is a major technical education institute in Marathwada region with outstanding growth in last 36 years. Presently, six programs namely AE, CE, CO, DDGM, EJ & ME are offered by the institute. We strive to impart Quality education along with practical knowledge, ethical and moral values for all round development of students, which help in meeting industry requirements. Institute is also preparing for accreditation from NBA.

Vision

“To be one of the center of excellence in technical education and training for human resource development in rural area.”

Mission

- To impart quality education to achieve excellence in teaching learning process.
- To provide training to meet the need of industry and society.
- To provide skills for overall development in rural area.

About Department

Department of Computer Engineering at Government Polytechnic, Osmanabad is started in year 2007. Department has good infrastructure, well equipped laboratories with high end desktops. The department aims to be a leader in imparting quality education and technology development.

About the Program

Cyber security is the technique of protecting and recovering computer systems, networks, devices, and programs from any type of cyber attack. Cyber attackers employ new methods powered by social engineering and artificial intelligence to circumvent traditional data security controls.

Cyber security's importance is on the rise as our society is more technologically reliant than ever before and there is no sign that this trend will slow. In today's world, people store vast quantities of data on computers and other internet-connected devices, much of which is sensitive, such as passwords or financial data.

By implementing security, businesses and individuals can protect themselves against the full range of cyber security threats.

Program Outcomes

The participants will be able to

- Analyze real world Web Application Security.
- Understand, prevent and beware from Mobile Attacks.
- Know measures for Server Security/Hardening.
- Appreciate Role and Effect of Malware Analysis.
- Get practical experience with cyber security tools.

Who can apply

The course is multidisciplinary. Full time faculty members from AICTE approved polytechnics in Maharashtra can apply.

Eligibility Criteria

- There is NO course registration fee.
- The FDP will be conducted through online mode. Attending all the sessions and submitting all the feedback forms by the participants is mandatory.
- After qualifying the final test with minimum 60% score and 80% attendance throughout the FDP, faculty will get the Certificate of the FDP .
- Participant limit for this FDP is 25 only.
- Participant's FDP registration confirmation will be communicated via e-mail.
- Session links will be posted in the FDP WhatsApp group.
- All the rights of this FDP are held with Organizers.

Important Dates

Last date of Registration: 28th Feb. 2022

Final List of Participants: 2nd March, 2022

Training Program: 07th - 11th March, 2022

How to apply

Email completely filled Registration Form to **fdpcs.gpo@gmail.com** on or before last date of registration.
